Marshall County High School Band

Volunteer Registration Form 2018-19

Aside from being your child's biggest advocate for success, your help in volunteering your time goes a long way. The band directors and staff can only do so much on their own. We need parents to be able to help behind the scenes and help things move smoothly each and every day. Please take the time and select where you are able to help out through the season:

- [x] **Football Concession Stand (REQUIRED):**
  Give a few hours to work in the concession stand during home football games. This is our biggest form of fundraising for the band!! The more help we have here, the better and smoother for all of us!!! **Each parent/guardian is required to work at least two (2) home football games and at least one (1) playoff game (if we host a game). *For every game you work, a portion of your child's band fee will be reduced. Think of this as a way to "work off" your child's band fee.**

- [ ] **Chaperone:**
  Help supervise students at marching contests and away football games.

- [ ] **Band Practice Support:**
  Help provide water/Gatorade and basic medical support during band camp and for regular practices during marching season.

- [ ] **Hospitality:**
  Serve water and snacks to band members at football games, competitions, and weekly practices.

- [ ] **Pit Packer:**
  Help load the equipment truck and move front ensemble equipment on and off the field at football games and competitions.

- [ ] **Fruit Sale:**
  Help unload, sort, and distribute fruit orders when they arrive at MCHS.

- [ ] **Fundraising:**
  Boston Butts, Butter Braids, Fruit Sale, etc.
  - If you can think of other ideas that may work, please share them with a booster officer so they can discuss it with others and the director(s).
